Applicant can start the implementation process

CAF and Self-Certification

The Applicant to submit CAF along with relevant fee towards services and Self Certification through Single Window to obtain Acknowledge Certificate

Self Certification/ Declaration shall have confirmation of the Applicant on the following,

- ◆ Information filed in the CAF
- ◆ Adherence to respective Acts & Rules applicable to services for which moratorium facility is availed
- ◆ Sole responsibility of the Applicant for any deviation from the provisions of the respective Acts & Rules

Acknowledgement Certificate

Acknowledgement Certificate issued shall deemed to be clearances for setting up or establishment of industry as granted or issued by respective department for initial period of 3 years or till the date of commencement of commercial operations.

The industry shall not start commercial production before obtaining the respective approvals

Failure to comply with the requirements/ conditions, will result in withdrawal of the Acknowledgement Certificate leading to the respective departments to initiate necessary legal actions and penalty

Inspections

In instances where the respective department / agencies need to undertake any inspection during the 3 year moratorium period (except in case where there are complaints or the company has applied for pre operational approvals and the inspections are required to be done), the department/ agency concerned shall inform the Industry along with the approval from the head/s of the department/s concerned.

Detailed reasons/ justification along with the date of inspection to be provided by Department/Agencies
